

HAVE FUN AND ADD TO YOUR BRIDGE SKILLS!

Learn To Play Bridge

Online Zoom Lessons
by Green Slope

Ever wondered what modern bridge is all about or how to improve your skills, but didn't know where to start?

Join our Distance Learning “**Green Slope**” online classes beginning **Monday July 6** with Master teachers from Maggie’s Club in Frisco. The classes will run for 5 weeks from 5:30 – 7:15 pm on Mondays. Classes will be presented on the ZOOM video conferencing platform that allows for great interactive discussions.

The topics will be:

Review of Bidding Basics and 2 over 1

Losing Trick Count

Interference bids and scoring

What do I Lead?

Play of the hand

Each lesson will include a robust Q & A of prepared examples and problems to reinforce the subject that is being covered. We have found this to be an excellent learning device that prior classes have really enjoyed.

The instruction is designed for those who already know how to play and are looking to add new “tools” to their game. Once you’ve finished this course you will be ready for the next step, our “**Blue Slope**” classes.

The cost for the entire course is only \$60.

Nothing is needed but your sense of adventure and desire to learn! We need at least 12 students pre-registered to hold the course.
