Get Your Game Going in 4 lessons

You might be new to bridge or returning to the game after a long absence. Perhaps you just completed the one-day seminar "Learn Bridge In a Day?" If you would like to continue learning and eventually play in an organized bridge game, this workshop is for you.

Our four-day program will build your confidence, add to your basic knowledge of the game, and prepare you to play in our local bridge clubs. Come, have fun, relax, and play lots of practice hands.
