

BridgeWebs for Club Managers

*****How to Upload Game Results *****

BridgeWebs is our Web Host Service for Northern Colorado Bridge Unit 363. Club Managers can enter their game results immediately after the game is complete. Here is what you need:

A PC with Internet Connection

A Browser such as Internet Explorer, Foxfire, Google Chrome, etc.

Your "game files", including:

- ACBL Score Game Results, e.g. 141201.ACE
- Bridgemate Contract Data, e.g. 141201E.BWS (if using Bridgemates)
- Hand Record Data, e.g. HR141201E.pbn

Go to Bridgewebs Main Menu: www.Bridgewebs.com/northerncoloradounit363

At Main Menu: Select Administration>Upload Results

At Login Menu: Enter ID and Password

At Game Results Menu:

Choose Files you are ready to upload (one or more of the following)

- Game Results: e.g. 141201.ACE
- Bridgemate File: e.g. 141201E.BWS
- Deal File: e.g. HR141201E.pbn (Not the Printable Hand Records)

-When you choose a file to upload, you will browse your computer to find the correct files to upload.

-If you are amending a game from a previous update, select Amend rather than Upload

-If there is more than one event on the calendar, you will be asked to select what game you are uploading.

-If you have previously posted game results, you can amend the event with a new file. For example, if there was a revision to the game results, or if you are uploading the Deal File after the results have been posted.

-You will get a notification message at the top of your screen, indicating that the files uploaded successfully.

-When you are finished, close the Administration Menu.
