

Loveland Bridge Club

A Bridge Club for Newcomers/Intermediate Players Limited to Players with 0 to 99 Masterpoints

This club was established in November 2015, after 100 new players attended a “Learn Bridge in a Day?” seminar. It has grown and thrived, with 8 to 10 tables in play every week. This is duplicate bridge club, sanctioned by ACBL. Table fee: \$5 per player. Arrange for your own partner or call/email if you would like to play and don’t have a partner.

WHERE: All Saints Episcopal Church – Loveland
3448 N. Taft Avenue

WHEN: Game starts promptly at 12:30. Please arrive 15 or 20 minutes before.
A mini lesson usually precedes the game at 11:30. Call ahead for this.

DIRECTOR: John Wolf, Manager and Director. (303) 810-4902
john-wolf@comcast.net

FORMAT: Hands are pre-dealt. This allows results to be posted and hand records to be printed, giving the players an easy way to review their results and improve their game.

WHAT NEXT? Almost all players continue playing in this club every week. Eventually we hope you will “graduate” by attaining over 100 masterpoints. As your game improves, you will want to play in other clubs, perhaps a club where the best players in town compete.
